Medicare Risk HMO Indicator

Attention: Local Plan SD/MC Providers

STOP – Impact on You

Effective July 24, 2015 the Department of Mental Health is implementing modifications to the Integrated System (IS) that allow providers to identify when a client has the Medicare Risk HMO Plan on their Medi-Cal claims either by Direct Data Entry (DDE) or Electronic Data Interchange (EDI).

CAUTION – What You Need to Know

- **The Medicare Risk HMO Plan**

Providers may send the Medicare Risk HMO Plan indicator if Other Insurance is a payer in the claim and the insurance plan has agreed to provide all Medicare covered services on behalf of Medicare.

- **DDE - To Identify Medicare Risk HMO Plan on the Other Payer screen**

Select the Medicare Risk HMO Plan box on the Other Payer screen.
